Knitted

COLLECTION

It is believed that socks and stockings were the first pieces produced using techniques similar to knitting. These socks were worked in Nelebinding, a technique of making fabric by creating multiple knots or loops with a single needle and thread. Most histories of knitting place its origin somewhere in the Middle East, from there it spread to Europe by Mediterranean trade routes, and then to the Americas with European colonization.

U UVA - Grown in the eastern slopes of Ceylon's central mountains, tea from Uva district deserves to be enjoyed as a self drinking tea, especially during the Uva quality season.

D DIMBULA - Dimbula was one of the first areas in Ceylon to be planted with tea after coffee in the 1870's. The plantations produce a typical high grown tea, which is of the finest character and colour - fine BOP Special tea grade.

K KANDY - The tea plantations around Kandy, which was once an ancient capital of Ceylon, supply what are known as mid-country teas. These are notable for full bodied strong teas which appeal to everyone who likes a good coloury brew.

R RUHUNU - Ceylon's tea plantations extend from the tropical rain forest to the south-western coast. Teas from low-grown areas of Ceylon are much sought after particularly by Mid Eastern countries and the CIS. A refreshing drink for those who like a thick, sweet brew which can be enjoyed with or without milk.

N NUWARA ELIYA - It has been said that 'Nuwara Eliya is to Ceylon tea, what Champagne is to French wine'. Recognized by connoisseurs of tea as the world's best, the brew is light in colour yet, the cup will deliver a unique taste and aroma.

R RADELLA GREEN - Radella, a region embraced by tranquility, surrounded by breathtaking mountain peaks covered in mist, a land which possesses perfect climatic and soil conditions to some of the best teas in the world. Ceylon green tea is one of the most sought of green teas in the world by discerning tea drinkers for its healing properties and refreshing taste.

Available in loose leaf tea 100g tins and in packets of 100g/200g, and in teabags of 10/20 foil envelopes/sachets and 100 and 25 String & Tag teabags.
